This Guest Release and Consent ("Release") is between the guest named above ("Guest") and The Public Safety Consulting Group, publisher of the EMS Leadership Podcast ("PSCG"). In exchange for the opportunity to appear on the EMS Leadership Podcast, Guest agrees as follows:

**1. Permission to record.** Guest gives PSCG permission to record Guest's voice, image, likeness and statements, in audio and video, at the PSCG studio or by remote capture (the "Recording").

**2. Use of the Recording.** PSCG may edit, publish, reproduce, distribute, display and promote the Recording, in whole or in part, in any media now known or later developed, worldwide, with no time limit. This includes podcast platforms, YouTube and other video services, the PSCG website, social media clips, transcripts, captions and translations, newsletters, training and educational programs, presentations and PSCG marketing.

**3. Name, likeness and biography.** PSCG may use Guest's name, title, organization, photograph, likeness and the biography Guest provides to identify Guest and to promote the episode and the podcast.

**4. Ownership.** PSCG owns the Recording and all edited versions, including the copyright. Guest keeps ownership of Guest's own pre-existing materials (for example, slides, research or publications). Guest gives PSCG a non-exclusive license to show or reference any materials Guest shares during or for the Recording.

**5. Editorial control.** PSCG has final editorial control. PSCG may edit the Recording for length, clarity, accuracy, privacy and legal reasons, and is not required to publish it. Guest may ask PSCG to correct a factual error under Section 9.

**6. No compensation.** Guest's appearance is voluntary. Guest will not receive payment, royalties or other compensation, and is responsible for Guest's own travel unless PSCG agrees otherwise in writing.

**7. Patient privacy and confidential information.** Guest will not disclose protected health information (PHI) or any detail that could identify a patient, caller or crime victim, and will not disclose confidential, privileged, security-sensitive or non-public information of any employer, agency or client. Case examples must be de-identified.

**8. Guest representations.** Guest confirms that Guest is at least 18 years old; has the right to enter this Release; has any approval Guest's employer or agency requires to appear (for example, public information officer or chief approval); and that Guest's statements are Guest's own and, to Guest's knowledge, are truthful and do not infringe anyone's rights. Unless Guest states otherwise below, Guest speaks for Guest personally and not on behalf of Guest's employer.

**9. Corrections.** Guest may email info@thepscgroup.net within 7 days after the recording session to request correction of a factual error. PSCG will consider reasonable requests in good faith. After publication, PSCG may add a correction note at its discretion.

**10. Release of claims.** To the extent permitted by law, Guest releases PSCG, its owners, employees, contractors and distribution partners from claims arising from the authorized use of the Recording under this Release, including claims for invasion of privacy, right of publicity or defamation based on Guest's own statements.

**11. General.** This Release is governed by the laws of the State of Connecticut. It is the entire agreement about the Recording and may be changed only in writing signed by both parties. Electronic and typed signatures, and signed copies sent by email, are valid.
